AIR FILTER, PRIMARY FINNED

Why Choose Donaldson Extended Life Air Filters?

Strong, reliable gasket is compressed against the air cleaner housing to create a tight seal.

- High-efficiency cellulose media performs across a wide range of heavy-duty engine applications.
- More media pleats deliver higher dust-holding capacity and longer filter life.
- Corrosion resistant, coated steel liners support media during operation and help maximize airflow.
- Pleatloc™ feature ensures uniform pleat spacing and prevents media from bunching to promote longer service life.
